SAN FRANCISCO--President Bush defended his tax cut as "the right thing to do" as Democrats said it has eroded the budget surplus and now threatens Social Security and Medicare.

"You see, there's a big debate in Washington about the money in Washington. Sometimes folks up there lose sight about whose money it is," Bush said.

The White House estimates this year's budget surplus will be \$158 billion, down from an earlier estimate of \$281 million. Nearly all of that is money devoted to Social Security.

House Speaker Dick Gephardt of Missouri said the tax cut will have a "definite" impact on the economy and could delay hopes for an economic recovery for some time to come. He said it is something that will be looked at carefully in Congress.

Sen. Pete Domenici of New Mexico, speaking on NBC's "Late Edition with Wolf Blitzer," said, "Frankly, there is plenty of money in the federal budget for Social Security until the year 2037. Right now, as much money as is needed for Medicare will be spent for Medicare. It'll only be used for that."

Bush, who was visiting Southern California to tour a defense plant, said, "It's the people's money. And we did the right thing with sharing that money with the people who pay the bills."

Another Bush official, speaking on "Fox News Sunday," said, "You know, the tax cut took affect not last quarter but just now. People have been out there spending." The official predicted that the economy would show new signs of life this fall.

**Part 5--Editing and headline writing: Edit the following story and write a headline that has two lines with a maximum character count of 18 per line.**

AKRON, Ohio--Tiger Woods won his third consecutive NEC Invitational championship with a dramatic victory over Jim Furyk on the seventh playoff hole at Firestone Country Club here.

Both men finished the first 72 holes with a 12-under-par total of 268. Woods shot rounds of 66, 67, 67 and 69 while Furyk had scores of 65, 66, 66 and 71.

"It was a war," Woods said. "Neither one of us gave an inch. It was fun to compete like that, where you were tested to the absolute utmost."

Furyk said, "I don't feel like I let anyone down today. I played well enough to win." I thought I won the tournament a couple of times today. In the playoff, Woods sank a 2-foot birdie putt and then raised both arms over his shoulders like a heavyweight boxing champion. "That's the ultimate. Win or lose, to be out there in that environment is pretty cool."

Woods now has a playoff record of 7-1. He received \$1 million for his victory and now has earned more than \$25 million in a career that began only five years ago.
